Romans 10:17

So then faith comes by hearing, and hearing by the word of God."

For the first time in history, every language group has been identified -- 6,809 in our world today. **Faith Comes By Hearing** is working to record an Audio Bible in 2,000 of these languages and start 2 million listening groups in order to reach 97% of the world's population by the year **2016**. Currently, FCBH has recordings in 435 languages. There are still groups that need an Audio Bible in their mother tongue. There are people who wait to hear God's Word because they cannot read it.

We will collect a special offering at SHBC on Fri., April 2 & Sun. April 11 to help with a new translation. Please pray about participating. Thank you!
