Please return to SHBC offices by January 29, 2012

Describe the mission project in which you are planning to participate as well as the level of your involvement.

Tell about mission trip and mission project experiences you have had in the past? Specifically explain how they have impacted your life and helped you grow spiritually.

In your opinion, what are some of the main reasons to go on a mission trip?

Describe ways you show leadership at home, school, and church.

How have you lived out what God has told us all to do in Micah 6:8 in your life?

Have you been actively building relationships with others who do not know Christ? If so, please describe in detail the progression of those efforts and how you are able to express great concern for those who do not know Him.

God is interested in using people to solve injustices around the world. How do you feel like God has used you in the past and how do you think He will use you in the future to love the world as Jesus did?

What efforts are you making to raise the money needed for this mission trip?

Essay Question

Describe in approximately 500 words, how you hope this mission trip or project affects you, stretches you, grows your relationship with God, and prepares you for how God has called you in life. Include past experiences and future expectations. Talk about your passions, gifts, and challenges.

Please type essay, and check for spelling and grammar. Your professionalism will be taken into account. You can either double or single space, but please use at least a 12pt font. Attach to application.

Finally, please include ONE letter of reference from an individual not in your family or in your youth ministry describing your character, your relationship with God, and your heart for missions. If you submitted this type of letter with your mission trip application, it will be acceptable for this, also, as long as it meets the above requirements.

Is there anything else that you would like us to take into consideration when reviewing your application?
